

Become a Mentor to young artists and social entrepreneurs!

Is it important to you that every young person in our society feels confident and equipped with competencies to start their own social enterprise? Do you believe that young artists need a boost to enable them to offer their best to our communities?

You would like to pass on your professional knowledge, skills and visions as a mentor to young artists and beginner art-based social entrepreneurs?

Then become a Mentor, part of the international team of mentors of the SE4Arts Mentorship Program! SE4Arts stands for "Social Entrepreneurship for Arts", an Erasmus + project, supported by the European Commission.

As a Mentor, you will accompany one mentee or more from our SE4Arts Mentorship Program throughout the whole period and act as their supporter, advising them and creating a learning environment. In addition, you will also share your personal experiences and help them feel comfortable in their art-based entrepreneurial endeavours.

What are we looking for?

Your experiences for a mentoring that facilitates the flow of information and ideas

Your knowledge and skills

Flexibility, openness and pleasure in mentoring an individual or a small group of mentees

An open-minded and dedicated personality
Confidential, helpful and caring attitude

What do we offer?

A great opportunity to be part of international community of mentors for social change, working to empower young artists in their efforts to establish and sustain social enterprises

A tailor-made training that prepares you for your role as a Se4arts mentor

Enhancing your competences such as leadership, networking, communication skills and problem-solving skills

Acquisition of mentoring and personal skills for your personal and professional development

A certificate for your engagement

Interested? Apply until 27/11/2023 Do you have any questions? Refer to the Project Manager of your Country to know more about the program.

We are looking forward to getting to know you!

"The Social Entrepreneurship for Arts" Project Team
